ABOUT THE COURSE

Raising a puppy is an adventure and may seem tricky at times, but with Beau's dog trainers' knowledge and effective strategies, you'll get the hang of it quickly.

Beau's Puppy School is a must for all owners seeking to provide their puppy the very best start in life and the opportunity to grow into a well-behaved and sociable dog. The classes were designed carefully to cover all topics crucial to your puppy development at different stages and help you to understand what you can expect of your pup along the way.

At Beau's Puppy School, we will set you and your puppy up for a successful and bonded life together!

Is my puppy able to attend?

Is your new puppy aged between 8 and 16 weeks?

Have they had their first vaccination?

If yes, your puppy is more than welcome to join Beau's Puppy School!

What my puppy will learn?

- Early Learning
- Toilet Training
- Early manners exercises
- Socialisation
- Leash walking
- Challenging behaviour
- Grooming
- Nutrition
- Healthcare and Dental care
