ABOUT THE COURSE

Level 1 Training takes your dog to the next level! If you find you're chasing your tail after puppy school or you've missed out on taking your puppy through puppy school, we have the pawfect program for you! Level 1 training is aimed to accommodate all owners and dogs at varying levels of training backgrounds. Our primary objective is to equip you with the skills to interpret canine behaviour, enabling you to develop a deeper understanding of these behaviours and foster a positive bond with your dog whilst teaching them obedience.
